OUR MISSION

Our mission is to provide extraordinary care while promoting independence and preserving dignity. Our trained staff provides personalized care and assistance with tasks of daily living, while supporting individual choice and meaningful independence. We respect each resident's right to privacy and ensure that self-worth and dignity is always promoted. *We value family, so our home is always a family-friendly, intergenerational environment.*

Our compassionate care approach gives you peace of mind knowing that your loved one has the option of aging in place.

OUR STORY

SILVER COTTAGE was established by Sue Baker and Mark Welch in 2023. After spending the past 20+ years establishing a notable reputation in senior housing and the restaurant industry, together they wanted to create an alternative senior living option for families seeking compassionate care here in Mesquite, TX.

Sue and Mark are passionate about creating a senior living alternative that places value on quality of life and an emphasis on loving care.
